

Key Usage Policy Saint Peter Members and Staff

As faithful stewards of God's resources, we affirm that properly securing the building at Saint Peter Lutheran Church is a shared obligation of the staff, ministry leaders/teams and any groups/organizations who use the facility on a regular or temporary basis. It is for this purpose that a policy to manage the distribution and return of keys to the facility has been developed.

1. The requestor must obtain the key (or code) in person at the church office during regular business hours. It is always advisable to call ahead to verify keys (or codes) are available for pick up.
2. A member to whom the key (or code) is issued must complete the Member Key Usage Agreement. (attachment A). The method of access to the facility will be at the discretion of the Administrator, Pastor or President of the Congregation. There are two options:
 - a. Key: Each key will be individually etched with an identifying mark or number. Each person who receives a key will pay a \$10 deposit which will be refunded when the key is returned.
 - b. Digital Lock (door into kitchen area): An unique code will be given to each individual. There is no deposit fee for a digital lock code.
3. It is understood that the user of the key will not duplicate it, loan it to another individual or make it available to others.
4. Report lost or stolen keys immediately to church office at 303-770-9300. The key holder is assuming complete financial responsibility for all re-keying required to restore security to the building due to keys that are lost or not returned. Loss of keys may require re-keying at the church's discretion.
5. The holder of a key (or code) to Saint Peter Lutheran Church assumes responsibility for the safekeeping of the key (or code) and its use. **For security purposes all of the doors must remained locked after entering the building. Doors are never to be left propped open.** When leaving the building, all doors and windows must be secured.
6. In all cases, keys issued must be returned to the church office upon termination of employment or expiration of term of service.
